

## LETTER OF RECOMMENDATION

I regularly recommend John Pack to my homeowners as a quality custom pool designer/builder.

John is creative and a good communicator. His designs show a truly artistic flair. He is always ready to meet with the homeowner to discuss their pool and its maintenance.

As a custom builder I prefer working with John -- as opposed to larger companies--because I know my homeowners will receive his personal attention.

A handwritten signature in black ink, appearing to read "Jack Hunnicutt". The signature is fluid and cursive, with a large initial "J" and "H".
